Helping Hands

“The Church Has Left The Building” a project of Crosspoint Community Church, provided us with volunteers who weeded, planted and mulched our side garden. In addition, they painted the outdoor shed and built a ramp at the back door.

For holiday closings and other information please see our web site: www.lakecountycaring.org

Helping Hands continued

LCC has been blessed with a number of groups helping out this year. Over 50 youth have been trained and continue to volunteer at LCC. Two youth groups have come from local schools and one from a local church, in addition to the OHS/Target Team, under the supervision of Betsy Hallam. From March 18-June 10, a group of over 10 high school students worked 12 Wednesdays, stocking shelves, making boxes and cleaning. Members of the Arrowhead Key Club, under the supervision of Kathy Mitich, also volunteered at LCC. In addition, they organized and manned a successful “Carwash & BBQ Fundraiser” on July 11th at Piggly Wiggly in Hartland, with profits totaling \$681!

An adult/youth group from Oakwood Church helped move rummage sale merchandise to LCC and also took boxes and bags for pre-sorting operation; another group from St. Anskar Episcopal Church

sort and box items on Monday evening.

Clothes for Kids group lead by Jodi Slowiak, sort infant & children’s clothing so they are ready to be placed according to size, on the shelves.

We have been truly blessed with the time and effort these various groups have given. New groups interested in volunteering at LCC should contact Carrie Glapinski, who will explain the procedures and training involved.

Arrowhead Key Club Carwash & BBQ

Training Tip

Sorting Shoes

All shoes should be first placed in the plastic bins for sorting NOT thrown in boxes. Someone trained in sorting shoes can then go through them and determine in what category they are to be placed.

Dish Sets

Sets of dishes for the Special Room should be in sets of 4, 5 or 6. ALL DISHES SHOULD MATCH! If cups or glasses are included with the set, they should also match.

Thank you LCC Volunteers for your Faithful Service!

January -August records reflect 2,566 client visits, 6,814 volunteer hours & 3,106 boxes passed to other outreach organizations.

Just a Reminder

LCC will be closed in January for reorganizing, cleaning & restocking.
